

# ABCs OF PRIVATE EQUITY™

THE A-Z ESSENTIALS FOR BUILDING VALUE, DRIVING GROWTH, AND DELIVERING OUTSTANDING RETURNS.

**A ACQUISITION STRATEGY**

Define a clear investment strategy and target the right opportunities.

**B DUE DILIGENCE**

Thoroughly evaluate financial, operational, and legal risks and opportunities.

**C CAPITAL STRUCTURE**

Optimize the right mix of equity and debt to enhance returns and manage risk.

**D DEAL SOURCING**

Build strong networks and pipelines to consistently source quality deals.

**E ENTRY VALUATION**

Assess fair value and pay a price that allows for attractive risk-adjusted returns.

**F FINANCIAL MODELING**

Build robust models to evaluate returns, scenarios, and sensitivity.

**G GROWTH CREATION**

Implement strategies that drive organic growth and market expansion.

**H HUMAN CAPITAL**

Recruit, develop, and retain top talent to build high-performing teams.

**I INNOVATION**

Foster innovation to improve products, processes, and competitive advantage.

**J VALUE CREATION PLAN**

Develop a clear 100-day and long-term plan to create measurable value.

**K KEY PERFORMANCE INDICATORS**

Track the right KPIs to monitor progress and drive results.

**L LEVERAGE**

Use debt strategically to enhance returns while maintaining financial flexibility.

**M MARGIN EXPANSION**

Improve operational efficiency and pricing power to expand margins.

**N NEGOTIATION**

Structure deals and terms that align interests and protect downside.

**O OPERATIONAL EXCELLENCE**

Streamline processes, reduce costs, and drive continuous improvement.

**P PORTFOLIO MANAGEMENT**

Actively monitor and support portfolio companies to unlock value.

**Q RISK MANAGEMENT**

Identify, assess, and mitigate risks across the investment lifecycle.

**R RETURN OPTIMIZATION**

Focus on strategies that maximize IRR and multiple expansion.

**S STAKEHOLDER ALIGNMENT**

Align management, investors, and stakeholders around shared goals.

**T TALENT DEVELOPMENT**

Invest in leadership development to strengthen capabilities.

**U UNDERWRITING**

Stress test assumptions and ensure conservative, realistic forecasts.

**V VALUE ENHANCEMENT**

Execute initiatives that drive sustainable improvements in value.

**W WORKING WITH ADVISORS**

Leverage experts to strengthen strategy, execution, and value creation.

**X EXIT STRATEGY**

Plan early for the optimal exit to achieve maximum returns.

**Y YIELD REALIZATION**

Convert value creation into cash returns at exit.

**Z ZERO-BASED THINKING**

Challenge assumptions and build value from first principles.

**PRIVATE EQUITY CREATES TRANSFORMATION.**

Great investors don't just invest capital—they build better businesses and create lasting value.

**Insight. Discipline. Partnership. Performance.**

**REMEMBER:**

- ✓ Buy well.
- ✓ Build value.
- ✓ Manage risk.
- ✓ Exit excellently.
